WHY YOU NEED SHADE

01

UV PROTECTION:

Sun shades block harmful UV rays, reducing the risk of skin damage and preventing premature aging, while allowing you to enjoy the outdoors safely.

02

TEMPERATURE CONTROL:

They provide a cooler environment by reducing direct sunlight exposure, making outdoor spaces up to 25° cooler during hot days.

03

FURNITURE AND DECK PRESERVATION:

Sun shades help protect outdoor furniture, decks, and pool areas from fading and wear caused by continuous sun exposure.

04

ENHANCED OUTDOOR AESTHETICS:

Apart from functionality, sun shades add a modern and stylish element to outdoor settings, elevating the overall look and ambiance of the space.

ADVANTAGES OF SUN SHADES

Shade Escapes sun shades offer an unparalleled combination of style, protection, and durability. Tailored for modern backyards, these shades transform outdoor spaces into comfortable retreats.

- **Aesthetic Appeal:** Enhances the overall look of outdoor spaces without blocking the view.
- **Affordable:** Sun Shades offer an affordable solution when compared to permanent structures like pergolas and sunrooms.
- **Versatile Options:** Custom designs for unique spaces and easy-to-install kits for quick solutions.
- **Durable Construction:** HDPE material is long lasting and sturdy. It's easy to clean and requires minimal maintenance.
